The Process

Property Evaluation

Rocktown Realty will begin with an assessment of your property. We know the market well and have extensive experience in optimally pricing homes for rent.

We offer in-house contracting services, that include maintenance and turning between tenants, to quickly get your home ready to lease and maximize rental income for you.

Tenant Screening

We will thoroughly screen potential tenants by checking their rental references, employment history and credit. For students we may require a parent to cosign the lease.

Marketing

Once your home is ready to rent, we will begin extensive online advertising as well as placing a "For Rent" sign at your property. If you have a property accommodating students please note we attend JMU's off-campus housing events and stay active with the student community to help ensure you always have tenants for the upcoming school year.

Lease Preparation

Once a tenant is found we will get a signed lease and perform a move-in inspection. Rocktown Realty will handle all communication with the tenant including rent collection and maintenance requests. Upon move-out we will do a final inspection with the tenant and handle the refund of any security deposit due.

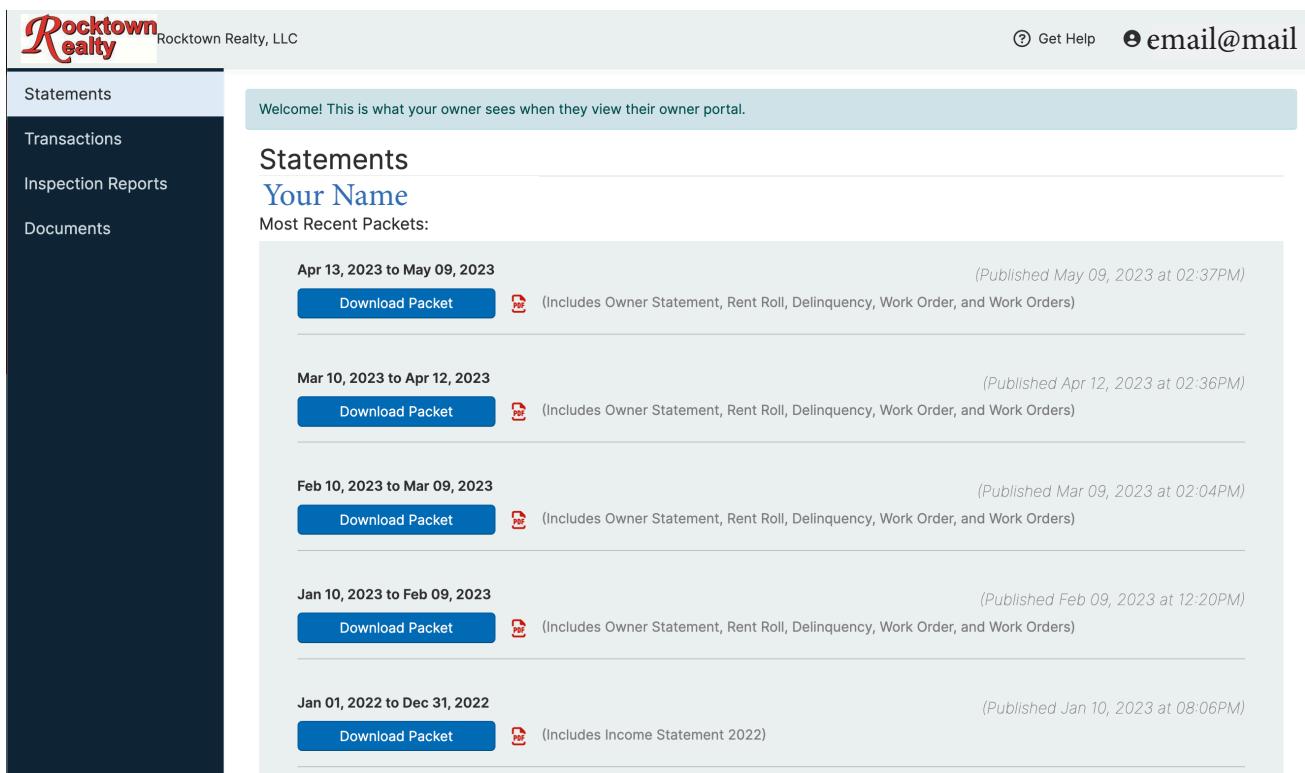

Fees

Rocktown Realty receives a 10% commission per month of the total lease amount. If more than 1 property the commission is 8%. To secure tenants we charge a \$150 per tenant fee for rentals by the room and a flat \$350 fee for residential listings. We also offer the service of getting your property ready for the next set of tenants.

Owner Portal

The screenshot shows the Rocktown Realty Owner Portal. At the top, there is a navigation bar with the Rocktown Realty logo, the text "Rocktown Realty, LLC", a "Get Help" link, and an "email@mail" link. This is what your owner sees when they view their owner portal." Below this, the title "Statements" is displayed, followed by "Your Name". A sub-section titled "Most Recent Packets:" lists five document packets, each with a "Download Packet" button and a PDF icon. The packets are: "Apr 13, 2023 to May 09, 2023" (published May 09, 2023 at 02:37PM), "Mar 10, 2023 to Apr 12, 2023" (published Apr 12, 2023 at 02:36PM), "Feb 10, 2023 to Mar 09, 2023" (published Mar 09, 2023 at 02:04PM), "Jan 10, 2023 to Feb 09, 2023" (published Feb 09, 2023 at 12:20PM), and "Jan 01, 2022 to Dec 31, 2022" (published Jan 10, 2023 at 08:06PM). Common Questions

Why should we use Rocktown Realty for the management of our property?

Rocktown Realty opened its doors 13 years ago with the idea that we were going to offer excellent customer service not only to our owners but our residents as well. We treat your property as if it were our own. We work hard to get qualified tenants at the highest rental rate possible and maintain your property so you won't have to.

Under what conditions can I cancel my management contract?

Most management agreements are for an initial period of one year and auto renew for another one year period. Either party would need to give the other party 60 days notice prior to the end of the agreement.

Are there fees when the property has no tenants?

No, we only charge management fees on the collected rent.

How do you handle late payers?

Normally we send a late notice on the sixth of the month and give them five days to settle their account. We then determine if a court date is needed and will have them served with an unlawful detainer.

How long are your properties typically vacant?

We normally allow two weeks for a property to get ready between tenants.

What miscellaneous fees could I be charged?

We do charge our normal monthly management agreement and we charge a one-time leasing fee at move in. Renewal fees are charged when a tenant renews their lease.

What is the owner/tenant response time?

Our policy is to respond to an owner or tenant the same day unless an inquiry comes in late afternoon and then we'll be in touch the following morning.

How often will I get updates on my property?

Your property manager will do inspections of your property and will make suggestions on improvements. We feel strongly that this is your investment and will work hard to keep it in tip top shape.

How do you handle maintenance requests?

We have an on-site maintenance company and use independent contractors as well that are licensed and insured.
